

# AFRICA MASTERCLASS SERIES

## STRATEGY THINKING

Everyone's responsibility.

Developing strategic thought as an organisational practice requires an inclusive approach to business strategy formulation, a culture of conversation and idea sharing and a true appreciation of the business environment from holistic and diverse perspectives.

This masterclass shares latest research and practical tools to create a strategic thinking culture within the organisation so every diverse and relevant voice can be heard.

Antonio Nieto-Rodriguez

### PROGRAMME FACILITATOR

Antonio Nieto-Rodriguez is the world's leading champion of Strategy Thinking and Implementation. His research and global impact in modern management have been recognized by Thinkers50 with the prestigious award "Ideas into Practice".

A pioneer and leading authority in teaching strategy execution and project management to senior executives at top Business Schools; currently visiting professor at Duke CE.

Author of the best-selling book "The Focused Organization" and a regular writer in several business magazines such as Harvard Business Review, Dialogue, Rotman Magazine, Singapore Institute of Management, CIO.com.

He is a much in-demand speaker at events worldwide, Antonio has presented at more than 160 conferences over the past 15 years,

regularly evaluated as the best speaker. European Business Summit, Gartner Summit, TEDx, and EU Cohesion Policy Conference with EU President Donald Tusk; are some of the events he has delivered inspirational speeches.

Previously he worked as Head of Project Portfolio Management at BNP Paribas Fortis. Prior he was Head of Post-Merger Integration at Fortis Bank, leading the largest takeover in financial service history: the acquisition of ABN AMRO. He also worked for ten years at PricewaterhouseCoopers, becoming the global lead practitioner for project and change management.

Born in Madrid, Spain, and educated in Germany, Mexico, Italy and the United States, Antonio is an Economist; has an MBA from London Business School; and Insead's International Director Program. He is fluent in five languages.
